If it's not a given that there is something to be gained for aspiring urban professionals in moving to the city's wealthiest neighborhoods, this might give pause to those of us who consider a move to Brooklyn. "Soon after moving to Williamsburg, I was introduced to a brand-new world of real estate. I had always known about a new wave of boom-era Brooklynites — real-estate speculators who had access to information about what kinds of f678ea9f9e
